# Green Awards

A Program to Recognize  
College Park's Environmental  
Leaders

Each year, the City of College Park Committee for a Better Environment (CBE) recognizes special efforts made by members of the local community to protect the environment.

In addition to commending those who have contributed in some way to a healthier environment, CBE hopes to:

- Increase environmental awareness
- Encourage wider appreciation and adoption of environmentally sound practices.

- ✓ A gardener who limits the use of water, chemicals, or power equipment

when creating and/or maintaining his or her garden

- ✓ A neighbor whose yard is visually pleasing and pesticide-free and, therefore a protective habitat for wildlife
